

# Migraine diary

Name \_\_\_\_\_ Month \_\_\_\_\_ Year \_\_\_\_\_

On each attack day, write the intensity from 1 to 10 in the circle, or color it in using the key. Tick the box if you took an acute medication.

☐ Intensity from 1 to 10 in the circle or color: ☐ Mild (1 to 3) ☐ Moderate (4 to 6) ☐ Severe (7 to 10)

☐ Medication taken

|                               |                               |                               |                                                                                            |                               |                               |                               |
